**You’ll find daily specials on site. Stop in & check us out.**

Dairy Free = \*

Vegan = \*\*

Please let us know about other allergies.

**Pizza...**All of our crusts are par-baked. We recommend bringing to room temperature, remove all packaging materials, & place directly on your oven rack, (if free of gluten. If not, place on a baking sheet). Ovens can vary greatly, but we recommend 400 degrees for 10-15 minutes.

**Dough Balls...**Not going to lie, these can be a struggle to spread. We suggest spreading on a greased pan with a liberally wet hand.

**Stromboli...**All of our Stromboli are raw products. Thaw, remove from plastic, place on pan and bake at 350 degrees for 20-25 mins.

**Pierogies** (Potato cheese, Potato onions, or kraut)... Bring water to simmer, simmer pierogies until they float. Sauté in pan with butter and onions. Server with sour cream or red sauce.

**Muffins/cookies/etc...**Our plastic containers are *not* airtight, so we suggest you enjoy your goodies right away, or transfer them to an airtight container of your own.

**Gnocchi...**enough for 2 meals. Bring water to a boil. Drop in desired amount of frozen gnocchi and stir *gently*. When gnocchi float, (2-4 mins) drain and enjoy with your favorite sauce.

**Storage of Bread/rolls...**All of our products are **preservative free**. We recommend enjoying your bread/rolls on day one, but should be placed in the freezer within 3 days to enjoy at a later date. They will typically last up to 3 months in the freezer. Breadcrumbs are fresh and are best kept in the freezer for up to 3 months to maintain freshness. Croutons are completely dried and should be kept in a cool, dry, (not the refrigerator), place for up to 1 month or more.

**Prepared Meals...**Keep in the freezer until ready to eat. Open the lid and leave on loosely. All microwaves are different. Warm on 100% until heated through. Can stay in freezer for up to 3 months.
